

# FIRM PROFILE

**F**ounded in 1976, Bryant Associates, Inc. (Bryant) is a professional consulting firm that provides civil, structural and traffic engineering, water resources, construction management and surveying services to public and private clients throughout the Northeast, Midwest and Mid-Atlantic regions.

Bryant is a minority and disadvantaged business enterprise (MBE/DBE) certified by various states, government agencies, counties, cities and towns. Our public sector clients include local, state and federal environmental management agencies, facility management agencies, housing authorities, parks and recreation departments, public works agencies, municipalities and transportation agencies. Our private sector clients include architects, contractors, developers, engineering firms, corporations and institutions.

For over four decades, Bryant has helped our clients change the shape of their communities by providing thoughtful, innovative solutions to a wide array of infrastructure challenges. Our capabilities include:
